

## Generic ToR Hygiene Promotion Adviser

1. Ensure the coordination of NCA Hygiene Promotion activities with other NCA activities, partner organizations, the authorities and other organizations, especially ACT members (and the WASH Cluster).
2. Ensure the appropriate community involvement in the design and delivery of essential WASH services and facilities and that all NCA WASH programmes comply with relevant standards.
3. Ensure that NCA supported project activities are monitored and reported on in a timely manner and according to requests from the NCA WASH coordinator, WASH Cluster and the community.
4. Strengthen the capacity of partner organisations by assisting in the joint mapping of needs and developing capacity building programmes, delivered by NCA or others.
5. Additional WASH activities, partner organisations and/or funding sources are actively sought after and perused and project proposals are presented to the WASH Coordinator in accordance with our "working through partners" strategy.
